Note:

If a tie exists after the playoff round-robin, the winner will be determined by the head-to-head results between the tied teams. If that doesn't produce a winner, we will have a shoot-out with each player throwing three rocks. Points for each shot will be as follows:

- 1 point if touching the 12-foot
- 2 points if touching the 8-foot
- 3 points if touching the 4-foot
- 4 points if touching the button
- 5 points if covering the pin
