Lacombe Curling Club Welcomes You!

The 2020-2021 season is on its way. It has been an interesting time since the abrupt end of our curling season back in March. We hope our members have all been well and making the most of the past six months. Fortunately, curling has been deemed a low-risk activity that can be enjoyed through the implementation of physical distancing guidelines. We are committed to ensuring a positive and safe return to the sport that is a crucial part of staying active and socially connected throughout the winter months. We have an in depth return to play guideline available to view on our website under the CURLING tab.

Staff

Myra Winslow has retired from the position of General Manager but has graciously accepted the offer to mentor and train her replacement. For the first month of the season you will see Myra in a co-manager capacity sharing her wealth of knowledge and setting us up for continued success. Thank you Myra for your support during this time.

Leah Goodey will be returning as the lounge manager. Leah will be expanding her role to bring more of her knowledge and expertise into practice as we navigate COVID lounge regulations. Thank you Leah for your continued work and commitment to our club.

Darren Moulding will return for his fourth season as our Head Ice Technician as well as interim General Manager for the upcoming season. With his professional curling commitments on hold, we felt this was a good opportunity to train and expand Darren's role within our club. Darren has both managed and made ice in the past, so this was seen as a good option to move us forward during this time of unknowns. Thank you Darren

for taking on this dual role and for giving your time and curling knowledge back to our club.

Curling fees will remain the same as last year. All fees will be due at time of registration and can be paid online or in person. Payment can be made your first night of league curling.
