

**All members and guests are invited to attend the
Lacombe Curling Association**

2019 Registration Night & Annual Meeting

Sept. 25th, 7:00 pm, LCC Lounge
Registration at 7 pm, Annual Meeting to follow

Lacombe Curling Club Welcomes You!

The 2019-2020 season is on its way. We completed the final phase of our facility renovations with updates to the lounge area in the off season. We hope this fresh, new space serves us well for years to come. Please reach out to our executive or staff if you have any suggestions for the upcoming season. We'd love to hear from you as we are always looking for new ways to serve you better.

Staff

Myra Winslow is returning as club manager for her sixth season. She will be in the office starting September 23rd. Her regular office hours this season will be 12:00-5:00pm.

Leah Goodey will be returning in a new position as lounge manager this year. Leah will be looking after all aspects of the lounge for the upcoming season, we welcome her to this new expanded role.

Darren Moulding will return for his third season as our Head Ice Technician. Darren will be the first to say that it's no accident that his curling success has paralleled his work in Lacombe. He has assembled a great team to provide our club with outstanding ice and he has been able to achieve incredible success in his professional curling career as well. We are fortunate to have Darren back again this season.

Bonspiels

Please check our website under the Bonspiel tab for this seasons Bonspiel dates. This year we will have online registration available for all our events so you can register early to secure a spot.

A Note about Ice Conditions

Two things that we can all do to help keep our curling ice in great condition is to replace your gripper and remember the carpet is not for cleaning your broom. The general rule of thumb is to replace your gripper every year if you curl once a week. This also helps to prevent slips and injuries. We will have an assortment of grippers and replacement brush heads available in the pro shop.

Curling Dues

Curling fees will remain the same as last year. All fees will be due at time of registration. Payment can be made your first night of league curling. A one week grace period will be granted for those who forget on week one. This makes all fees due by November 1st. A \$50 late fee will apply to unpaid fees after November 1st.

Website

www.lacombecurling.com

Last season we implemented a new curling specific website program. It was a learning year for many who worked behind the scenes to build content as well as you the user to learn how it functioned. We had lots of positive feedback (and some negative) but it was a valuable tool to help with schedules, teams, subs, stats, member information, etc. Thank you to those who utilized the website and taught other members to as well. If you forget your login information for this season you will proceed the exact way you did last year with the FORGOT my username and/or password functions and it will guide you through the process to update them. If you did not sign up last year or are a new member this year please remember that all men,

women and children in each household will need a DIFFERENT email to set up their account.

Registration

Printable registration forms can be downloaded on the website. www.lacombecurling.com OR **NEW** this year is the option to register online. Leagues can be selected and payment can be made through membership registration on the website.

***If you would like to register online you must first be set up to login to the Member Login, then you can proceed to the Membership Registration process from there.**

See you on the ice and “good curling”

It's a great way to see what's happening at the club?

All curling leagues begin the week of October 21st
